

A decorative border of black line art flowers and leaves surrounds the text. The flowers are stylized with multiple layers of petals, and the leaves are long and pointed.

*Creative Activities:*

**3. Doodling:**

Doodle images about faith versus works alone. You could draw a dry plant becoming green as roots drink living water. Or broken chains falling off arms that lift up to the sky. Let your drawings show how faith brings life and change, compared to trying in your own strength. Be creative picturing faith filling you instead of empty works.
