

A decorative border of black line art surrounds the page. It features stylized leaves and flowers, with some elements resembling palm fronds or large, pointed leaves. The border is composed of multiple overlapping layers of these designs, creating a rich, textured frame.

## *Creative Activities:*

### **3. Doodling:**

Now take time to freely doodle shapes, patterns and images that allow your mind to focus on faith over fear as you create. Consider:

- Abstract designs reflecting trusting in an unseen God through all of life's twists and turns.
- Nature motifs like blooming flowers or climbing vines symbolic of hope rising up within.
- Biblical passages on faith dancing across the page through your original art.
- Doodled prayers and praises lifted to God from a heart set on Him alone.
- Scenes depicting biblical heroes who strengthened their resolve in God.

Let your drawings flow without restraint, opening yourself to insights the Holy Spirit brings. May your creative reflection today nourish assurances that defeat a doubting spirit. Find rest in the steadfast anchor of your faithful Savior.
